

So I have now come full circle to what brings me to the floor tonight. I find us at a crossroads. HMO reform will either suffer slow legislative death as the House continues to do nothing, or we will take our responsibility for past congressional mistakes and pass a bill like my Managed Care Reform Act of 1999, H.R. 719.

I urge my colleagues to cosponsor H.R. 719, the Managed Care Reform Act of 1999. It would fix the type of conditions that have caused this type of loss to a little boy.

This bill is endorsed by the American Cancer Society and other consumer groups. It is endorsed by many professional groups, including the American Academy of Family Physicians. This weekend, it was endorsed by the American College of Surgeons.

Mr. Speaker, I beg my colleagues, no I implore my colleagues, we cannot let even one more little boy or girl become a victim for the sake of making profits for an HMO. Let us have a fair debate under an open rule on the floor of this House by the July 4th recess. We should all be for the little guy. We should not be in the pockets of the HMO corporate CEOs.
